No. MS-21-5/10405 of 1950,

Poona 1, 13th Septr. 1950.

To

The Secretary to Government,
Public Works Department, Bombay 1.

Sub:- Providing additions to the electric installation in the office of the Executive Engineer, Karnatak Public Health Works Divn., Dharwar.

I submit herewith, an estimate amounting to Rs. 389/- for providing additions to the electric installation in the office of the Executive Engineer, Karnatak Public Health Works Division, Dharwar, for approval and allotment of necessary funds, during the current financial year 1950-51.

2. The present building which is occupied by the Executive Engineer, Karnatak Public Health Works Division, Dharwar, is a hired one. The office is not provided with table fans and is pulling on without it uptill now. As the necessity of two table fans was keenly felt, especially in hot season, when it was quite impossible to work without fans, and also much uneasiness is felt for want of proper ventilation, the Electric Department was requested to prepare an estimate for the table fans and the same, together with a certificate issued by the Executive Engineer, Southern Electrical Division, Poona, is attached herewith.

3. I, therefore, request you please to move Government to accord administrative approval and allot necessary funds for carrying out the necessary additions in view of its urgent necessity. The fixture will be removed at the time of vacating the bungalow.

Public Health Engineer
to Government.
